# Serving as Mayor of San Luis Obispo since 2010 has been a great honor.

## My Priorities

- Preserving our unique natural, historical, social and cultural resources
- Maintaining a balanced budget and paying down pension liability
- Increasing infrastructure investment
- Augmenting water security
- Strengthening neighborhood wellness and safety
- Facilitating affordable and workforce housing and head of household jobs
- Promoting economic vitality and diversification in the face of Diablo closure
- Expanding open space, adding bicycle paths and creating new parks
- Updating and further implementing our Climate Action Plan
- Encouraging use and development of renewable energy

I enjoy working with our community to get things done.

## My Record

A proven leader, I've responded decisively and creatively to demands and opportunities faced by our City and the region. Among other things, I successfully guided the City through the Great Recession, the update of the Land Use and Circulation Element, the successful collaboration with Cal Poly to protect neighborhoods, and the approval of substantial increases in affordable housing. As the 2016 President of SLO Council of Governments (SLOCOG) and SLO Regional Transportation Agency, I've won funding for bike paths, transit improvements and roads, including the LOVR interchange. I've also supported the co-location of the new homeless services center and RTA bus facility at 40 Prado Road.

## About Me

A 28-year resident, married grandmother, Stanford and Santa Clara Law graduate, business person and former university administrator, I am active in Chamber, Rotary, neighborhood, conservation and humanitarian organizations. My experience, effectiveness, expertise and vision make me the most qualified candidate for Mayor.

**Education and Entrepreneurship** I've supported the Cal Poly HotHouse Entrepreneurship Program from its inception.

**Quality of Life** I have asserted consistent local and statewide leadership to counter Climate Change and oppose Oil Trains.

**Family** My husband of 50 years and I enjoy spending fun time with our four grandsons, Ian, Ethan, Abel and Lucas.

Dear Friends and Neighbors,

Thank you for electing me Mayor for the last six years. I am excited to be running for my fourth and final term on City Council.

Although we have been widely recognized as an outstanding place to live, work and play, there are many challenges ahead.

I'm running for re-election because there is still so much to do to keep on our upward trajectory.

Please get in touch with me at 541-2716 with your ideas, issues and concerns.

For a thriving, sustainable San Luis Obispo, re-elect **Jan Marx, Mayor.**
